RE: PRA Request

Sent via e-mail

Mr. Farivar:

This letter acknowledges receipt of your Public Records Act request, which the Foster City Police Department received on October 7, 2019. From reviewing your request, I understand that you are seeking information regarding the following:

- 1) Any and all documentation, correspondence, specs, legal memos, drafts, images, videos, audio, maps, and any other records or materials associated with Amazon Ring from January 1, 2017 to October 8, 2019.
- 2) E-mails between any and all city employees and/or police officer and representatives of Ring and/or Amazon from January 1, 2017 to October 8, 2019.
- 3) Any relevant police reports, after-action reports, memos, briefings, talking points, video and/or audio recordings, CAD logs, and datasets released internally and/or from any @fostercity.org account to any @ring.com or @amazon.com account, or anyone else operating on Ring and/or Amazon's behalf from January 1, 2017 to October 8, 2019.

If I have misinterpreted your request, please let me know.

City staff conducted a thorough search of the City's records and determined that the attached documents are the only responsive documents. I included all the unique e-mails pursuant to your request but did not include duplicate e-mails that were generated when the same e-mail was sent to multiple city addresses.

If you have any questions, please give me a call.

Sincerely,

A handwritten signature in cursive script that appears to read "Lyndsey Castro-Stevenson".
